

Delivering Value Today. Driving The Standard For Tomorrow.®

March 6, 2020

Dear Dayton Freight Customers,

Dayton Freight is dedicated to providing high quality, cost effective service to all customers. Achieving this objective safely is a primary concern. Our efforts are fundamental to the well-being of Dayton Freight employees and you, our valued customer.

With that said, we continue to monitor the COVID-19 guidance from the Center for Disease Control (CDC) and other federal, state and local agencies. We are committed to following the regulations and guidance provided by government authorities.

We are also utilizing resources to educate our employees to take proper preventive measures where warranted and seek medical attention if needed.

Dayton Freight is aware of numerous customer contingency plans and will abide by all legal and reasonable requirements of those plans. The safety of your organization is important to us and we appreciate your cooperation.

Thank you for trusting us with your freight, and for your continued loyalty.

Sincerely,
